Ohio democracy is not happy.

Powell's key-note does not seem to cause

do not like Cleveland's practices and yet do claims are to be encouraged. not like to go back on the child to whom they gave strength.

Saratoga is not a good point for the next aker's position respecting the valuation national republican convention. It is not of farm central, and the expense of getting there and staying there is not calculated to get the people there. The committee will make a mistake if they go outside of Cincinnati, Chicago or St. Louis with the convention.

The following from the Akron Beacon hits the nail on the head, and is a pointer for Springfield. Now that the heated term is past and business men have very generally returned from their summer vacations, attention should be given and interest re- Foraker incurred the displeasure of the vived in our board of trade. It takes hustling to build up a town such as Springfield is, and it takes hustling all the time to keep it in the lead. This is an age of hustlers ant the ideas advanced by the Boscon should be kept in mind.

The town that doesn't adopt some sys tematic method of advertising itself nowadays is as far behind the times as the busithrough the columns of the newspaper. At | Union army, seven of them have been iblican state convention at Toledo there were distributed among the visitors fully and well. The others are comthousands of fans. On each of these was a map showing Toledo's advantages in trans-portation by rail and water, and its close oximity to the Ohio gas and oil fields; tables of figures indicating its importance business men, mechanics and all other of Governor Foraker rakes him the ter-as a manufacturing and trade center, and classes. Every man is amply fitted for ror of the Bourbons. Every sentence is other showings calculated to give the visitor the office for which ne is a candidate, and like a stroke from a broadsword, and of the coming cities. And now Toledo' manufacturers and business houses are send- THE Democrats are anxious to defeat ing out thousands of circulars in the course Governor Foraker, and will exert every ing out thousands of circulars in the course of their every-day correspondence, annour coing a big celebration over the advent of gasto the city. Cleveland's boom committee, after the same manner, is bringing the inafter the same manner, is bringing the industrial advantages of the Forest City to the attention of thousands of strangers in the legislative body that they will be able that a pill ought to be, and nothing that if every corner of the land by means of circu-to partly tie his hands, and are bend-lars which tell in expressive figures and ing every effort toward the election of ant Purgative Pullets are about the cutes data, skillfully and succinctly put, what the senators and representatives in the close little things going." data, skillfully and such activities and countries. This is a matter districts and countries. This is a matter with capital who are casting about for a which to which to which to the carriest attention and the mine of the Ellsworth comcast their fortunes. And so in other Ohio of Republicans and of all men who do pany, of Ellsworth, Kas. cities which might be named there are not wish a repetition of the infamous a city's railroad connections, with half a partment for want of sufficient and reliable dozen statistical facts put below, to inform the recipient in a glance of his eye what the town is good for and what it is doing in this

### PATRIOTISM. OUGHT THEY TO COMPLAIN? The REPUBLIC never has and does not

now endorse the boycott. We did not en-

those great shops. We did not then be-

lieve the boycott to be a right principle, and do not now. Because of our position

error of their ways, but to no avail.

Finding reason and argument to no pur-

that effect. They stand in the same relation

labor and its sympathizers. The boycott

which they declared has not been declared

off, and they squeal like spanked babies

and know how to take care of themselves.

The REPUBLIC's single purpose is to
